**TOTAL OF 3.0 CLE HOURS, ALL PROFESSIONALISM
(APPROVED)**

9:30 a.m. – 12:30 p.m.

3.0 CLE hours, which ALL qualify for professionalism hours

This program will highlight the impact that individual differences and culture have on the administration of justice and the legal workplace; how actions and decision-making are affected by perceptions, assumptions, biases, experiences, and values; and how conscious and unconscious actions affect co-workers, clients, opposing counsel, and judges. Participants will receive tools to develop the habits for engaging in effective cross-cultural lawyering.

A segment of this program will include an interactive panel discussion on cultural conflict and inclusion topics. A panel consisting of Louisiana judges and practitioners will address hot button topics (such as race, gender, religion, and disability) that impact the professionalism of attorneys, office dynamics, and the ability to attract and keep clients. Participants will engage in group discussions regarding various legal scenarios presenting cultural pitfalls.
