

SETTING THE BAR:

*Louisiana State Bar Association
Pre-Law Conference*

This workshop will enlighten college students on the law school admissions process and provide helpful tips to effectively navigate that process and tackle the Law School Admissions Test (LSAT). The first day of the program will consist of a series of information sessions from key admissions personnel from area law schools, who will share essential information on applications, resumes, personal statements, and financial aid. A representative from Kaplan will share tips on preparing for and taking the LSAT. Finally, students will be exposed to a mock law school class. Day two of the workshop will give students the opportunity to take the LSAT under normal testing conditions/times. Students who attend both days of the program will be entered into a raffle for a \$1,600 tuition scholarship from Kaplan.
